

The Honorable James L. Robart

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

LYNN NUNNALLY,

Plaintiff,

v.

XO COMMUNICATIONS, a Delaware  
Corporation; ABC CORPORATION and JOHN  
DOES 1-10,

Defendants.

No. C07-1323JLR

STIPULATION AND PROPOSED  
ORDER FOR EXTENSION OF  
PRETRIAL DEADLINES

**STIPULATION**

COME NOW the parties, by and through their attorneys of record, and hereby move the Court to extend certain pretrial deadlines. The parties stipulate as follows:

1. Trial is currently set for February 17, 2009. The proposed changes to the current case schedule should not affect trial date.
2. The parties agree that the current discovery cutoff should be continued from October 20, 2008, until December 4, 2008. Both parties agree to extend the discovery deadline because plaintiff's counsel had a trial that prevented discovery from being completed by the current deadline. The parties agreed to continue discovery to accommodate the scheduling conflict.

1           3.     The parties agree that the current deadline to file dispositive motions should be  
2 extended from November 19, 2008 to December 26, 2008, to give the parties additional time  
3 to complete discovery and obtain the transcripts and supporting documents necessary for  
4 preparing any dispositive motions.

5           4.     The parties have not requested another extension in this case.

6           Respectfully submitted this 30th day of October, 2008.
